

Cruise Schedules

During the 2015/16 cruising season, a total of 76 cruise ships visited the Port of Tauranga. Every year the Port sees cruise ships from Australia, the Pacific Islands, North America and Europe, pass through the Tauranga harbour.

Port of Tauranga is situated close to the heartland of New Zealand's North Island tourism industry, with the scenic wonders of Rotorua, Taupo and the Waikato, all being major draw cards for international tourists.

International visitors can experience New Zealand's Maori culture and see the most scenic parts of the country within a short journey from the Port. The Tauranga area offers visitors a huge range of unique attractions and activities.

If you would like to know more about Tauranga and the Bay of Plenty region, please visit Tourism Bay of Plenty <http://www.bayofplentynz.com/> and visit the Kiwifruit Country website to learn about their tours <http://kiwifruitcountrytours.co.nz/>
